Company Volunteer Program

Looking for a unique company team-building event or a new, fun place for your employees to volunteer? Each year's Super Fair offers hundreds of local youth & community members of all ages opportunities to compete in ag-related pursuits & over 140,000 fairgoers to see these competitions and enjoy dozens of free/low cost entertainment. The fair is organized by the volunteer, non-profit Lancaster County Agricultural Society & we could use your help to continue this 140 year fair tradition! Two ways your team can help:

- Individual employees can volunteer on shifts each day
- Your company can be recognized as gate sponsor of the day if you provide a group to run the gate for a day or ½ day.

*Bring your team out to enjoy volunteering
at the largest community event of the summer!*

Deadline to reserve: June 1, 2017

Go to SuperFair.org & click on Get Involved/Be a Volunteer to see available shifts & sign up with volunteer names.
